Adult Bible Study – What’s So Amazing About Grace???

In September the adult Wednesday morning Bible study series will resume. This group meets on Wednesday mornings at 10:30 AM. The study began on Wednesday, September 18. If you would still like to join, you are welcome to do so. You will need a book. If you would like to get the book through the church office, the cost is \$14.

Our first series of the Fall will use videos from best-selling author Phillip Yancey – What’s So Amazing about Grace? In this study, In this study, you'll discover:

- The extent of God's love and what it means for us.
- Why the church seems to have lost the gift of grace-giving and why the world apart from the church can't offer it at all.
- What it would look like for us to truly understand, receive, and give the gift that God gives so generously to us.

Yancey offers compelling and true portraits of grace's life-changing power. He searches for its presence in his own life and in the church. He asks how Christians today can contend graciously with moral issues that threaten all they hold dear. And he challenges each of us to become living answers to a world that desperately wants to know, "what's so amazing about grace?"

Session include:

1. No Strings Attached
2. An Unnatural Act
3. The Art of Forgiving
4. Grace Out to the Test
5. Grace Abuse
6. Dispensing Grace For those who would like, there is a book that goes with the series. The book is called: *What’s So Amazing About Grace?* You can purchase from Amazon or your favorite book seller. The church will have a few copies on hand as well.
